Application No. 10/634,351  
Filed: August 4, 2003  
Attorney Docket No. 2002B107A

ON PETITION

This is a decision on the petition filed September 6, 2006 under 37 CFR 1.137(b), to revive the above-identified application.

The petition is **DISMISSED AS MOOT**.

A review of the file record discloses that a Notice of Allowance and Fee(s) Due was mailed on August 2, 2006, with the issue fee being due on or before November 2, 2006. A Request for Continued Examination (RCE) and Information Disclosure Statement (IDS) was filed on October 10, 2006. Since the filing of an RCE and submission was filed prior to November 2, 2006, the filing of a petition under 37 CFR 1.137(b) is unnecessary. The \$1500 petition fee submitted on September 6, 2006 is being credit to petitioner's deposit account.

There is no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. If the person signing the instant petition desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted. While a courtesy copy of this decision is being mailed to the person signing the instant petition, all future correspondence will be directed to the address currently of record until such time as appropriate instructions are received to the contrary.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3210.

This matter is being referred to the Publishing Division for further processing.
